Available in four sizes, Nature is an ideal marble look to satisfy the classic, sophisticated and contemporary design styles when combined with modern elements and refined colors. White marble is one of the major trends loved by interior designers worldwide, an eternal material both in the graphic essence and in the precious features of porcelain stoneware.

Calacatta Vagli
A story that arrives from afar: Calacatta Vagli is one of the very few Calacattas with a light gray background, enriched by a full honed tone-on-tone texture that makes it modern and stylish at the same time. Ideal for both wall and floor tiles, and even for a total look.

Fior di Bosco is a fine Italian marble with gray tones. The background is crisscrossed by white veins which also take on brown and orange hues. These veins seem to arrive in a radiant glow, filling the entire surface with energy.
