

WOODSCAPE

Gentle Warmth

Floor: WS05 Gray Rect.

A faithful interpretation of the beech essence found in the Italian Alps. The texture of the original boards creates a play of great balance between the knots and veins of various sizes. A wood with a Nordic, sometimes rustic flavor creates an ideal mix for anyone seeking a "new" essence that can be easily combined with delicate and pastel shades.

Floor: WS03 Natural Rect.

Nordic atmosphere

Offered in three colors, Woodscape is an extremely versatile material suitable for both commercial and residential application. Woodscape combines "warmth" with aesthetic refinement and functionality which are typical of porcelain stoneware.
